### **A WORD ABOUT ELECTRIC BILLS**

Every year at this time, we notice a "bump" in electric bills. There are several reasons for this, and we thought it might be helpful to you to discuss them.

First, because we are "all-electric" here at Southlake Village (we pay for no gas), we receive a 20% discount from Westar 9 months of the year! For October through June, we get 20% off our total electric bill! In July, August, and September, however, there is no discount, and so for these 3 months, we pay the same as our neighbors do.

Second, some residents don't use "summer procedure" in their apartments. Simply put, you should keep your drapes and shades closed during the sunlight hours (particularly if your door or window faces south or west). The heat from unblocked sun can make your unit so hot that it will take all night to pull that temperature down. (Conversely, this winter you can naturally heat your apartment by leaving those drapes open during the day!)

Third, a huge energy-waster is an open fireplace damper. These must be closed, or you'll be cooling the outside! If you don't know how to close the damper, call the office and we'll be glad to instruct you.

With the thermal-pane windows and glass doors, the thick wall and ceiling insulation, and the high EER (energy-efficient-rated) heating/cooling system that we utilize at Southlake Village, you should be enjoying reasonable, acceptable electric bills. Remember, too...in two more months while most of the rest of the city continues to pay "regular" electric rates, your rate returns to 20% less!

---

### **Parking & Tow Notice**

If you own a trailer, boat, or unregistered automobile that is parked in the parking lot, it is imperative that you contact the Southlake Village office to identify it. We will be disposing of unidentified trailers, boats, and automobiles near the end of August. This is our FINAL NOTICE of impending action.

Please be aware of where you park. Do not park near the trash dumpsters or on the sides of the carports. Also make sure to park between the lines, using only one space per vehicle. We thank you for your understanding and cooperation.

## Just a Few Reminders...

- **DO NOT DRIVE ON THE GROUNDS!** You will be charged a minimum \$100 fine for doing so. Please report any violations to the office.
- For those of you who live on the ground level, please do not store, plant, or allow anything to come in contact with the buildings. Allow at least an 18" space from the building. Also, it is imperative that the dirt and grass level be maintained below the lowest piece of wood trim on the building. Please call if you see any wood coming in contact with the soil so we may remedy it.
- Please inform your guests that parking in front of the buildings is for residents only. Guests may park away from the buildings or in the commons area west of the clubhouse.
- **PETS ARE NOT ALLOWED AT THE POOL OR AT THE LAKE!** We also do not allow visiting pets. Only pre-approved small, mature pets are allowed (with additional deposit and rents) and must be registered and approved by the office.
- Please do not discard cigarette butts, beer & soda pop cans, or other trash items on the lawns, in the parking lot, and in the stairwells. The trash dumpsters are there for that purpose.
- Laundry Rooms: Please do not open windows or prop doors open in the laundry room. Doing so lessens the security of the self-locking doors. And remember, smoking is prohibited in the laundry rooms.
- School will be back in session soon so please slow down (10 mph max.) and be on the lookout for children in the complex.
- Lake Use: Trot Lines are **NOT ALLOWED** in either of the two lakes. Single-line reels are the only permitted equipment. And if you own a boat, please keep it securely locked up when not in use.

Thank You For Your Cooperation!

## About Security

We have found that the best "preventive medicine" in regard to security is a "proprietary interest" on the part of all who live here. Take an extra 30 seconds whenever you leave or come to your apartment and look around. If you see anything suspicious or unusual, call 522-4855 (24 hours). That small act can make your living environment better!

In conjunction with the above, there is a standing offer of a \$500.00 reward to any resident who furnishes information that leads to the arrest and conviction of any person or persons committing an act of burglary, theft, or vandalism against Southlake Village or the residents thereof. If you observe such an act, do not attempt to apprehend, but report immediately to the Wichita Police Department by calling "911" or by calling our own 24-hour emergency number, 522-4855.

---

## WANTED: ALL UNUSABLE FOOTWEAR ANY STYLE, ANY CONDITION, ANY SIZE

We're still collecting shoes for The American Legion Air Capitol Post 401 to benefit the Robert Dole VA Hospital. Everything is welcome. Footwear can be dropped off at the Southlake Village office during office hours. Your donation is greatly appreciated!

---

Remember, this is your newsletter. We accept announcements, classified ads, and newsworthy items. You may call us at 522-4855, e-mail us, or drop your ad by the office. Please submit your item(s) no later than the sixth of each month. Made on a 🍏 Mac!
