

THE PIRATE NEWSLETTER

JUNE 2002

VOLUME XXIX NUMBER 6

We believe the lake here at Southlake Village is one of the finest bodies of water in the area, and we want you to enjoy it, and enjoy it exclusively. But there are always a few who don't live here, are not accompanied guests here, and have no right to be here attempting to use the lake and other facilities that are yours to enjoy. Therefore, we spend a great deal of effort evicting such persons from these premises. However, you can help us do a better job for you if you will report any persons you see who you suspect of being a trespasser. We'll check them out. And if they don't have a right to be here..... we'll throw them out or press trespass charges against them.

Don't apprehend anyone yourself! Simply call our 24-hour number. 522-4855, and we'll take it from there. Together, we will make this a summer of quiet enjoyment for your personal and exclusive lakeside living .

HELP US KEEP YOUR COMMUNITY CLEAN!

We take pride in making Southlake Village one of the cleanest and nicest communities in Wichita. As you may know, we pick up trash each day and mow lawns weekly. We also have a lake cleanup patrol but we still need your help in keeping things neat and clean. What can you do? Obviously, please don't litter. That includes not dumping ash trays in the parking lot. And when taking your trash to the dumpsters, please throw it in the dumpsters. Don't leave it sitting on the ground next to them. Also, if you take food or beverages to the lake, please remember to dispose of your trash appropriately. Lastly, if you live on the ground level, please keep your patio and surroundings clutter-free. (This is not a storage area.) It will really help us with the mowing. Thank you for your help and cooperation.

CARPORTS AVAILABLE

We have a few carports available in the Building #1,2, 3, and 10 areas. If interested, please contact the Southlake Village office at 522-4855. Carports rent for \$18.00 per month.

JULY 4TH REMINDER

We want to remind all residents that firework shooting is not permitted on the premises. This includes in the complex and parking lot, at the basketball and tennis courts, as well as and around the lake. We suggest you contact the Wichita Police Department to find out where firework shooting is permitted. (Some firework stands allow shooting of fireworks at their locations. Be sure to ask them first.) Have a safe and happy holiday!
