NOTICE TO PET OWNERS

As a condition of your pet agreement, it is imperative that you keep your pet on leash any time your pet is outside your apartment. Also, do not tether animals to leashes unattended or allow the pet to be left outside on your balcony. And don't forget to pick up after your pet. Failure to comply with your pet agreement will result in termination of such. Thank you for your cooperation.

Flies

Joe said, "Know what, Charlie? I killed 5 yesterday, 3 males and 2 females."

"How could you tell them apart, Joe?" asked Charlie.

Joe replied, "That was easy. The 3 males were sitting on a case of beer and the 2 females were on the phone."

Just a Reminder.....We have a Postal Drop Box available here at Southlake Village. It is located on the outside of the Clubhouse right next to the doors. (Don't confuse this with the brown rent box on the other side of the doors!)

Read any good books lately? If not, stop by the Southlake Village Lending Library located in the clubhouse! We have plenty of novels, periodicals, and short stories waiting to be read. And if you have any reading items you would like to lend or contribute to the library, just bring them on over!

A Few Words on The Parking Lot...

Due to the large number of vehicles here at Southlake Village, we need your help in freeing up some parking spaces. If you own a vehicle that does not run or does not get driven often, we are asking that you move that vehicle off the premises to make room for those vehicles that do. Vehicles that have not moved in over 2 weeks will be tagged and towed at the owners expense. We also will begin towing and disposing of old trailers parked just south of the Clubhouse. If you own one, please claim and remove as soon as possible as we intend on towing within the next 2 weeks!

When parking directly in front of the buildings, please do not pull in so far that the front of your vehicle protrudes over the sidewalk. And be sure to remind your guests that the carports are RESERVED for tenants that have a carport lease only and are not to be parked in.

Parents: You must watch your children, especially when they are riding their bicycles in the parking lot and basketball court. We have had many reports of children riding in between parked cars and crossing the lot with no warning. This is very dangerous and could easily result in an accident or injury.

And lastly, please help us keep your community clean by not disposing of trash and cigarette butts in the parking lot (and stairwells, grounds, or laundry rooms, too). Your help is greatly appreciated!

Reminder - Our Late Charge Policy

The late charge for paying rent after midnight on the 6th day of any month shall be \$20.00 plus \$1.00 per day from the first day of such month until the rent is paid.

(For example, if a person paid their rent on the 7th day of the month, the late charge would be \$27.00.)

If you run in to a situation where you need to pay your rent late, please contact the office prior to being late to make appropriate arrangements to do so. Thank you.

LAKE NOTICES

- If you fish, please do not keep the smaller fish you catch. Release back to the lake so they will continue to grow and make for more of a fishing challenge.
- Please be aware that you must accompany your guests at all times. Unaccompanied guests will be asked to leave the property. Also, please keep your number of guests limited to no more than four at a time. If you anticipate having more than that, notify the office so we may notify our security.
- Children under 16 are not allowed near or in the lake unless accompanied by an adult. Never leave your children unattended while outside your apartment.

Remember, this is your newsletter. Items for publication are taken all month long at the Southlake Village office. Call 522-4855 or drop your ad by the office. We accept announcements, classified ads, and newsworthy items. Please submit your item(s) prior to the sixth of each month. Made on a Mac!
