IMPORTANT NOTICES!

- Pellet Guns, BB Guns, Firearms, and Bows/Arrows are prohibited anywhere on the property. This includes property around the lake as well.
- Never leave charcoal grills unattended! High winds are capable of turning them over, presenting a fire hazard. Also, only use grills on the ground and away from the buildings!
- Pets must be accompanied by their owners any time they are outside the apartment. Do not tether your animal outside unattended. And please remember to pick up after your pet as per your pet agreement. Thank you!
- For your convenience, there is a U.S. Mail drop box located at the Clubhouse next to the front door. (Don't confuse this with the brown "rent box" on the other side of the doors.)
- As mentioned in last month's newsletter, we will commence routine air-handler filter cleaning/changing and insect extermination this month. An acknowledgment slip will be left indicating your apartment has been serviced.

A Few Words on The Parking Lot...

Due to the large number of vehicles here at Southlake Village, we need your help in freeing up some parking spaces. If you own a vehicle that does not run or does not get driven often, we are asking that you move that vehicle off the premises to make room for those vehicles that do. Vehicles that have not moved in over 2 weeks will be tagged and towed at the owners expense. We also will begin towing and disposing of old trailers parked just south of the Clubhouse. If you own one, please claim and remove as soon as possible as we intend on towing within the next 2 weeks!

When parking directly in front of the buildings, please do not pull in so far that the front of your vehicle protrudes over the sidewalk. And be sure to remind your guests that the carports are RESERVED for tenants that have a carport lease only and are not to be parked in.

Parents: You must watch your children, especially when they are riding their bicycles in the parking lot and basketball court. We have had many reports of children riding in between parked cars and crossing the lot with no warning. This is very dangerous and could easily result in an accident or injury.

And lastly, please help us keep your community clean by not disposing of trash and cigarette butts in the parking lot (and stairwells, grounds, or laundry rooms, too). Your help is greatly appreciated!
