APRIL 2013

VOLUME 13 SPRING EDITION

Where to go in case of a tornado?

In the event of a tornado you will hear sirens warning you to seek shelter immediately. For those of you on the ground floor, stay in your apartment and move to the main bathroom or walk-in closet, away from windows. For those of you on the upper floors, seek shelter in the central laundry room of your building, located on the ground floor and accessible between the second and third entryways. Stay away from windows. Do not leave until the sirens have been deactivated.

Important Notice!

As you may know, all Southlake Buildings have been treated for termite control. At this time of year, termites "swarm" and it is that swarm that lets us know if we need additional treatment. Therefore, if you notice such "swarms" or if you see tiny pin holes in a wall, please contact the office immediately at 522-4855 so that we may inspect for damage, and make repairs and treat if necessary.

THURSDAY NIGHTS: LOCAL A.A. MEETING

Join us every Thursday night at 7:00 p.m. at the Southlake Village Clubhouse where a local A.A. meeting is hosted weekly. All are welcome. Coffee served.

LAKE & GROUNDS NOTICES

- **Catch & Release Fishing:** Please do not keep any smaller fish you catch. Release them back to the lake so they will continue to grow, making for more of a fishing challenge for years to come. And if you don't intend on eating your catch, throw them back, too. We're sure they'd thank you....if they could!
- Trot lines, unattended fishing lines, and trawling nets are not permitted in either lake. Any such items found will be cut and any other gear will be confiscated. Report these to our Lake Patrol at 522-4855. Thanks!
- Please be aware that you must accompany your guests at all times. Unaccompanied guests will be asked to leave the property. And if you see suspicious people using the facilities who you don't think live here, give us a call at 522-4855 and ask for our Lake Patrol to check it out. Thank you!
- Remember, open fires and fire pits are NOT PERMITTED at any time or any place on the property. In addition, grilling is only allowed on the ground, away from the buildings. You may store your grill on your balcony or patio but may not use them there. We and the Wichita Fire Department thank you for your cooperation.

JUST A FEW REMINDERS....

- **Pets:** Owners, please be sure to pick up after your pets. And do not allow them to run loose. Lastly, do not allow your pets to "mark" storm doors and cars (tires, wheels).
- **Ducks & Geese:** Please do not disturb duck and geese nests and eggs. Let nature (instead of us) decide their fate. And please do not feed the ducks and geese near the buildings or from your patio or balcony. Only feed at the lake shore.
- **School** will be out next month. That means more kids will be home for the summer. Please be observant while driving and observe our 10 m.p.h. speed limit. Thank you.

Coming up in May...

We will be commencing routine insect exterminating in May. We are trying a new schedule of treatment in which 3-4 buildings will be treated each month. We expect the entire community to be fully treated by the end of July. If you have a pet, please change its water after treatment. There will be an acknowledgment slip left by our personnel indicating your apartment has been treated. Thank you!

Security Concerns

We believe the lake here at Southlake Village is one of the finest bodies of water in the area, and we want you to enjoy it, and enjoy it exclusively. But there are always a few who don't live here, are not accompanied guests here, and have no right to be here attempting to use the lake and other facilities that are yours to enjoy. Therefore, we spend a great deal of effort evicting such persons from these premises. However, you can help us do a better job for you if you will report any persons you see who you suspect of being a trespasser. We'll check them out. And if they don't have a right to be here..... we'll throw them out or press trespass charges against them.

Don't apprehend anyone yourself! Simply call our 24-hour number, 522-4855, and we'll take it from there. Together, we will make this a summer of quiet enjoyment for your personal and exclusive lakeside living.
