A Message From The Wichita Police Department

The Wichita Police Department wants you to know that they are here for you whenever you may need them. You should call 911 whenever you see something suspicious, regardless of how small it may seem. This is part of the Community Policing effort that has been highly successful in reducing crime throughout Wichita. But Community Policing alone is not as effective as the combined efforts of Community Policing and citizen involvement. You can help by keeping an eye on your surroundings and property. Here are some tips you can follow to help prevent crime:

- Always lock doors and windows.
- Use lights on timers when gone at night or overnight.
- Keep a list of all serial & model numbers of electronics.
- Engrave an additional identifying number on all electronics.
- Lease a safe deposit box for jewelry and other valuables.
- Always call 911 on suspicious activity and persons.
- Have a trusted neighbor help watch your residence.

And don't forget we answer security calls 24-hours a day at 522-4855. Call us if you are experiencing noise issues, trespassers, or other minor security issues.

LOST & FOUND

Did you know that we have a fairly large collection of keys, watches, rings, phones, pagers, glasses, books, bags, clothes, etc. that has been found by residents and turned in to our office? If you have lost something, come by the office or call us to see if it has been turned in. If you find something, please bring it by the office so we can attempt to locate it's owner!

A FEW REMINDERS...

- **PARKING & VEHICLE TOWING** - Please park considerately, taking up only one space and not pulled in so far that it covers the sidewalk. Please don't back in. Also, we will be towing unidentified vehicles (cars, boats, trailers) from the parking lot that do not have license plates and/or can not be identified throughout the month. If you own one of these vehicles, you need to remove it from the parking lot or tag it and register it with us. If your vehicle is inoperable or has flat tire(s), you must remove it from the lot. Please contact us if you have any questions.
- **LAUNDRY FACILITIES** - It is important that when using the laundry facilities you make sure the doors close and lock when leaving. Please do not prop the doors open as this lessens the security of the facilities and allows access to the storage lockers to anyone. And if you are using both washers concurrently, please do not start them at the same time. When both washers drain at the same exact time, it can cause drain backups. Report any issues you may have to the office.
- **GRILLING** - Please remember that grilling is not permitted on balconies or near the buildings. Please do any grilling on the ground and away from the buildings. There are several public grills available in different areas of the complex for your use and enjoyment.
- **PETS** - If you own a pet, please be sure to pick up after your pet each time. Failure to do so may lead to a fine and/or cancellation of your pet agreement.
- **GROUND**S - Please help us keep our community clean by not littering or disposing of cigarette butts on the grounds or in the parking lot.
- **LEASE RENEWALS** - To those of you who received lease renewal invitations last month and have not returned them to us yet, please do so as soon as possible so we may update our records. Be sure to initial and sign the option you choose. If you have any questions regarding the renewal, please contact the office, 522-4855. Thank you.
