A Message From The Wichita Police Department

The Wichita Police Department wants you to know that they are here for you whenever you may need them. You should call 911 whenever you see something suspicious, regardless of how small it may seem. This is part of the Community Policing effort that has been highly successful in reducing crime throughout Wichita. But Community Policing alone is not as effective as the combined efforts of Community Policing and citizen involvement. You can help by keeping an eye on your surroundings and property. Here are some tips you can follow to help prevent crime:

- Always lock doors and windows.
- Use lights on timers when gone at night or overnight.
- Keep a list of all serial & model numbers of electronics.
- Engrave an additional identifying number on all electronics.
- Lease a safe deposit box for jewelry and other valuables.
- Always call 911 on suspicious activity and persons.
- Have a trusted neighbor help watch your residence.

And don't forget we answer security calls 24-hours a day at 522-4855. Call us if you are experiencing noise issues, trespassers, or other minor security issues.

CARPORTS AVAILABLE

We have limited number of carports available for lease in various areas of the complex. If you are interested in leasing one (or more), please call, 522-4855, or stop by the Southlake Village office. Carports rent for \$20.00 per month. Availability is on a first come, first serve basis. If we run out of units, we will be gladly put you on our waiting list and contact you when one is available. And while we're on the subject, please remind your guests that the carports are RESERVED for residents who lease them and not to park there.

Reaching the end of a job interview, the Human Resources Officer asks a young engineer fresh out of the Massachusetts Institute of Technology, "And what starting salary are you looking for?" The engineer replies, "In the region of \$125,000 a year, depending on the benefits package." The interviewer inquires, "Well, what would you say to a package of five weeks vacation, 14 paid holidays, full medical and dental, company matching retirement fund to 50% of salary, and a company car leased every two years, say, a red Corvette?" The engineer sits up straight and says, "Wow! Are you kidding?" The interviewer replies, "Yeah, but you started it!" (<http://www.laughfactory.com>)

LOST & FOUND

Did you know that we have a fairly large collection of keys, watches, rings, phones, pagers, glasses, books, bags, clothes, etc. that has been found by residents and turned in to our office? If you have lost something, come by the office or call us to see if it has been turned in. If you find something, please bring it by the office so we can attempt to locate it's owner!

A FEW REMINDERS...

- **PARKING REMINDER** - Please park considerately, taking up only one space and not pulled in so far that you hang over the sidewalk. And please don't back in to spaces or park in any areas designated as No Parking and Fire/Hydrant zones. This month we will be towing unidentified vehicles (cars, boats, trailers) from the parking lot that do not have license plates and/or can not be identified otherwise. If you own one of these vehicles, you will need to remove it from the parking lot or tag and register it with us, if acceptable. If your vehicle is inoperable or has flat tire(s), it must be removed from the lot until tagged and operable.
 - **LAUNDRY FACILITIES** - It is important that when using the laundry facilities you make sure the doors close and lock when leaving. Please do not prop the doors open as this lessens the security of the facilities and allows access to the storage lockers to anyone. And if you are using both washers concurrently, please do not start them at the same time. When both washers drain at the same exact time, it can cause drain backups. Report any issues you may have to the office.
 - **GRILLING** - Please remember that grilling is not permitted on balconies or near the buildings. Please do any grilling on the ground and away from the buildings. There are several public grills available in different areas of the complex for your use and enjoyment.
 - **PETS** - If you own a pet, please be sure to pick up after your pet each time. Failure to do so may lead to a fine and/or cancellation of your pet agreement. Also remember, we do not allow visiting pets.
 - **GROUNDS** - Please help us keep our community clean by not littering or disposing of cigarette butts on the grounds or in the parking lot.
 - **LEASE RENEWALS** - To those of you who received lease renewal invitations last month and have not returned them to us yet, please do so as soon as possible so we may update our records. Be sure to initial and sign the option you choose. If you have any questions regarding the renewal, please contact the office, 522-4855. Thank you.
